TO WHOM IT MAY CONCERN

Dear Sirs

A R BRINK & ASSOCIATES

This is to confirm that I have worked intermittently with A R Brink & Associates and its founder, Capt Allen Brink over a period of more than 30 years.

My personal specialty since 1985 has been in shipping and ports, more particularly in casualty investigation since 1990.

Since then Capt Brink and his team have been my preferred ship surveyors on account of their expertise, consistent ability to unearth salient, relevant and difficult-to-find facts during investigations, outstanding service and, most importantly, their ability to produce comprehensive, user-friendly, understandable and court-friendly survey reports.

All survey reports are commissioned by lawyers with a longer-term view to potential litigation. The reports produce by A R Brink & Associates are of a consistently high standard and always meet my needs.

In addition, the company operates with utmost integrity and I hold every surveyor with whom I have worked at A R Brink in the highest regard. In particular, Capt Allen Brink has been a shining light for the South African maritime industry and has grown his company into arguably the strongest survey company in Southern Africa.

Please feel free to contact me for any further information.

Yours faithfully

Bowman Gilfillan
