## TO WHOM IT MAY CONCERN

### RE LETTER OF RECOMMENDATION – CAPTAIN ALLEN BRINK (AR BRINK & ASSOCIATES)

I have known and worked closely with Allen Brink and his colleagues at AR Brink & Associates (Durban) for over 20 years.

I first came to know Allen whilst working as a claims handler and later Group Director (Claims) at the North of England P&I Club in the United Kingdom. The Club regularly instructed AR Brink & Associates on behalf of its members in relation to a wide range of cargo and admiralty surveys and inspections in South African ports. AR Brink & Associates always produced survey reports of high quality following their attendances in these matters.

More recently, I have worked closely with Allen and AR Brink & Associates as a partner of both Shepstone & Wylie and Bowmans law firms in Durban. Generally, AR Brink & Associates are instructed as surveyors or experts in matters which are the subject of High Court litigation in South Africa. Reports generated by Allen and his colleagues at AR Brink & Associates are always well executed and reflect high levels of experience and expertise in the maritime sector.

I would have no hesitation in recommending A R Brink and Associates as commercial P&I correspondents.

Yours faithfully
